Meeting on 13 July 1952

Contact Report No. 12.

1. On Sunday, 13 July, [] paid an unscheduled visit to the Grallspice operational apartment. [] arrived at 1100 hours and found Grallspice hard at work on the reports concerning his trip to Germany and the apartment at Jensenstrasse 2 in Munich. [] and Grallspice discussed the range of the reports that were being written and various other operational matters.

2. The matter of Grallspice's cover also was discussed once again and he gave [] a copy of his letter of authorization from LINDEK. A photo-copy of this letter of authorization is attached to the Headquarters copy of this contact report. (Attached to CC in Grallspice file)

3. Grallspice mentioned to [] that he had discovered an apartment in which to live, but it probably would be necessary to pay a year's rent in advance. Grallspice said he would know all the details concerning this rental possibility within a day or so and requested that [] bring 5,000 schillings to the next meeting in the event that Grallspice should decide to move into this particular apartment.

4. [] left the operational apartment at 1200 hours.
